Term fees are payable in the final week of the prior term for Term 2, 3 and 4 and upon acceptance of a place for Term 1.

Where a child commences kindergarten after mid-term because a place has become available, fees are charged at 50% of the term fees. If a child commences after mid-term because he/she has not attained the prerequisite age at the commencement of a term, then the full term's fees must be paid as a place is being held for that child.

The 4 year old program is five days per week and as a rule children attend the full program. Rebates or discounts will not be given should parents request a variation for a child to attend less than five days per week.

All parents will be notified that the kindergarten is not a free service and relies on fee collection to cover a percentage of running costs.

Levies

A \$50.00 fundraising levy is applied for the first Term payable with the Term 1 fees and a \$50.00 general maintenance levy is applied with the Term 2 fees.
